Has the honor to forward herewith a list of incomplete District Fund works requiring appropriations during current official year, together with a statement shewing the Expenditure for 1895-96 as sanctioned by Government and as now proposed and to request that the Secretary-Commissioner will be so good as to obtain the sanction of the Government to the same, during which the incomplete works

are ordered to be finished on to
Completion.

It being to the Interest of
works that the circumstances
explained in the Remarks column
of the list the probable balance
on 1st July 95 was Rs 9264/-
instead of a debit balance
of Rs 5800/- as in the sanctioned
budget. There are thus sufficient
funds to the credit of the
Board to meet the charges
required for the incomplete
works.
